

Microsoft® PowerPoint 2013 Level 1

Course Description: This course is designed for students who are interested in learning the fundamentals needed to create and modify basic presentations using Microsoft® Office PowerPoint 2013.

Duration: Instructor-led, group-paced, classroom-delivery learning model with structured hands-on activities – 7 hours (1 day)

Course Objectives: To explore the PowerPoint environment and create a new professional presentation.

Upon successful completion of this course, students will be able to:

- Create a presentation
- Format text on slides
- Apply a PowerPoint theme
- Add online pictures, pictures and shapes to a presentation
- Modify objects on slides
- Prepare to deliver a presentation
- Print presentations

Prerequisite: Experience and familiarity with Windows environment.
