

Course Description:

This course is the third in a series of three Microsoft® Office Word courses. You will learn to use Word to create, manage, revise, and distribute long documents and forms.

Duration: Instructor-led, group-paced, classroom-delivery learning model with structured hands on activities – 7 hours (1 day)

Course Objectives: To learn to manage long documents, collaborate with others and secure documents.

Upon successful completion of this course, students will be able to:

- Use Mail Merge
- Collaborate on documents
- Add reference marks and notes
- Work with Master and Sub documents
- Create a document index
- Secure a document
- Record and execute a macro

Prerequisite: Microsoft® Word Level 1 and 2 or comparable Word experience.
